

Test changes

Test name: Soluble transferrin receptor

Test #: 6330/83520.0

Notification date: January 14, 2019

Effective date: Immediately

EXPLANATION

Due to an assay performance issue, Allina Health Laboratory (AHL) has temporarily suspended performance of the Soluble transferrin receptor (6330/83520.0) assay.

DETAILS

Due to an assay performance issue, AHL has temporarily suspended performance of the Soluble transferrin receptor assay. Any samples received for this assay will be stored appropriately and tested once the issue has been resolved.
